

Our Story

At Owen's, we take the essence of classic English food and infuse it with the vibrant and aromatic spices of the subcontinent. The result is a menu that is as diverse as it is delectable. The name "Owen's" is a tribute to our roots. Named after one of our grandfathers, our cuisine is a blend of cultures, flavours, and traditions. Our hope is that every bite you take at Owen's transports you to a world where British and exotic flavours come together in perfect harmony. We welcome you into our extended family, and we look forward to becoming part of yours, sharing passion for good food and wine and creating memories.
